

### **World OutGames Miami 2017 Bodybuilding and Physique Drug Testing Policy**

1. World OutGames Miami 2017 will have two divisions in each category of bodybuilding:
  - a. Division One: a tested division for those participants who provide a recent test for performance-enhancing substances showing that the participant tested negative for those substances.
  - b. Division Two: an untested division for all participants in bodybuilding who do not take the test for performance-enhancing substances, or do not pass the test.

**Note:** Contestants in both divisions will compete together, yet receive separate awards. Drug testing only applies to individual participants. No separate tested and untested divisions will exist for the Pairs competition.
2. If a participant wants to be in the tested division, the participant must take a drug test that tests for the specific performance-enhancing substances. The test is offered through the organization The Bodybuilding Guild as a service to those who want to compete in the tested category at World OutGames Miami 2017.
3. Participants will be tested for banned substances under Section S-1 and S-5 of the World Anti-Doping Agency (WADA) Prohibited Substances List. For more information see the WADA website <https://www.wada-ama.org/>. For the listing of prohibited substances, see the WADA Prohibited Substances List:  
<https://www.wada-ama.org/en/resources/science-medicine/prohibited-list>
4. Participants who are residents of the United States must take the test between April 17 and May 12, 2017. For more information on the testing protocol please contact Richard Cavaler, Bodybuilding Guild, [cvlr@comcast.net](mailto:cvlr@comcast.net), (248) 354-5841
5. Participants who are residents of the United States will have certified results sent to them when they become available. All results will be confidential and held until the event has been completed.
6. Non-residents of the United States may be tested on Tuesday, May 30, 2017. This testing is offered through The Bodybuilding Guild. Participants submitting to be tested on May 30<sup>th</sup> may have their winning medal held until their passing test results have been received by World OutGames Miami 2017. Participants who do not reside in the United States and wish to be tested prior to May 30, 2017, should contact Richard Cavaler.
